CURES CATARRH.

"Hyomel the Most Wonderful Cure for Catarrh Ever Discovered."

Say Rickert & Wells.

Do not try to cure catarrh by taking drugs into the stomach; it cannot be cured in that way. The only way in which this too common disease can be cured is through a direct application that will kill the bacilli of catarrh and prevent their growth.

Hyomel is the only known method of treatment that accomplishes this. It is the simplest, most pleasant and the only absolute cure for catarrh that has ever been discovered.

Thousands of unsolicited testimonials have been received from the most prominent men and women in the country who have been cured by this remarkable remedy. Ministers, bankers, lawyers, even eminent physicians have given strong testimonials as to the remarkable powers of Hyomel to cure catarrh.

The complete Hyomel outfit costs but \$1.00, consisting of an inhaler, dropper and sufficient Hyomel to last several weeks. This will effect a cure in ordinary cases, but for chronic and deep-seated cases of catarrh, longer use may be necessary, and then extra bottles of Hyomel can be obtained for 50c. It is not alone the best (it might be called the only) method of curing catarrh, but it is also the most economical.

The Red Cross Pharmacy has so much confidence in the power of Hyomel to cure catarrh, that it will for a limited time, sell this medicine under their personal guarantee to refund the money if the purchaser says that it did not help them.
